

# MD-APP Module Design

## Authentication Module:

The image displays three sequential mockups of the MD-APP authentication module interface, each presented within a window frame with a dark title bar and standard OS window controls (minimize, maximize, close).

**Mockup 1 (Top):** The interface features a light blue background with the text "MD-APP" centered at the top. Below this, a white rounded rectangle contains two blue buttons: "login" and "register", stacked vertically.

**Mockup 2 (Middle):** The interface features a light blue background with the text "MD-APP" centered at the top. Below this, a white rounded rectangle contains two input fields: "Username" and "Password", each with a white rounded rectangle for text entry. Below the input fields is a blue "login" button.

**Mockup 3 (Bottom):** The interface features a light blue background with the text "MD-APP" centered at the top. Below this, a white rounded rectangle contains four input fields: "Username", "Password", "Name", and "Department", each with a white rounded rectangle for text entry. Below the input fields is a blue "register" button.

The screenshot shows the MD-APP interface. At the top, the title "MD-APP" is displayed. Below it, the word "Procedures" is centered. A search bar is labeled "Search:". Below the search bar is a large, empty rectangular area with horizontal lines, intended for a list of procedures. At the bottom right, there is a blue button labeled "OK".

The screenshot displays the MD-APP interface. At the top, the title "MD-APP" is centered. Below it, the word "Medicines" is centered above a search bar. The search bar contains the text "Search:". Below the search bar, there is a list of medicines, each represented by a horizontal bar. The list is currently empty. At the bottom right, there is a blue button labeled "OK".
